“ *What matters is that it happened at your house first Mr Noriega because Vincent just wanted me to see what it does to me I feel safe anymore mom at all sometimes I'm afraid Vincent put fears in me making me think people will hurt me especially cops they better not hurt me I will bring a lawsuit when they came in my dad's back yard and caught and beat him up for running away with money for drugs and how it got started that day I felt sad and hurt I was betrayed by my own friends and family and everywhere 911 I Vincent Noriega to pay the price after all they knew not just Vincent but his dad*
