

Herbert Lee Harshman

August 25, 1922 - June 20, 2014

Herbert Harshman went to be with God on June 20, 2014. He was born in Carrizozo, New Mexico on August 25, 1922.

Out of high school, Herbert was a jeweler's helper. He then went to San Francisco to work in the shipyards. Because of a hearing deficit during World War II, Herbert was not accepted into the military. He wanted to serve his country so he went to work with the Southern Pacific Railroad. He retired in 1984 after 44 years of employment receiving a "Special Honor" for not one day of sick leave.

Herbert had many hobbies and interests. He was an avid gardener and a Boy Scout Leader.

Raising his children in Huron, his primary objective was to make their life as fun filled as possible. He taught them gardening, riding bikes and horses, respect for Mother Nature and each other. He taught them how to drive a car, dance, plant a garden, taking care of pets as well as themselves, play a musical instrument, camp, tie their shoelaces and how to sew. He picked them up when they fell and encouraged them to keep learning. He walked them down the aisle and he taught them love and respect. He was tons of joy and the kind of father every child dreams about. He will be forever love and missed.

Herbs family would like to extend their thanks and gratitude for the loving care of the Nursing Staff at San Joaquin Gardens, Ascera Care Hospice as well as the Kaiser Staff; Continuing Care Patricia Pena, Joga Gahir MD, Amit Saini MD and neurosurgeon Donald Myers MD.

At Herb's request, there will be no services.
