“ *My heart goes out to your family, having to lose such a wonderful soul we all come to know and love dearly. You have touched alot of us in so many ways, we're thankful for your friendship, memories we created for that is all we have left. If only there were visiting hours in heaven, if only there were stairways so we can bring you back home to us. But as we all know heaven chose another angel. May you find peace rest easy for there is no more pain, suffer please don't worry about us for we will continue to pray for you. You are truly missed and will forever be in our hearts. We love you and miss you. Until we meet again.*
