Such a proud momma and you have every right to be proud of this outstanding young man.

One month, not an hour goes by that I don't think about and miss you. The only ray of light is that I know, you are kicking up mud and laughs with those you are with now.

“ One evening I made pasta for the entire gang. Just before eating, Hunter played us all a video he took of him torturing his best buds. He and the guys were out one night and it was chilly out so all the windows were rolled up in the car they were in. Hunter knew he had one of the worst cases of gas he's ever had and cut one loose without saying anything to the boys. By the time they figured out what was up, it was too late and they all started choking and cussing him. The video was priceless!

We all sat down to dine as the lot of us could not stop laughing at the hilarious video. Out of the blue, Hunter says "I don't know what your all laughing about, I've got a deadly one in the chamber right now!" I almost had spaghetti come out my nose!

Making people laugh, even when they are not in the best of moods, is not easy to do. Most people just can't pull it off. Hunter owned it! He was the Star on stage and could make everybody smile and giggle. Teresa Brownen

“ Hunter, so many words, so little time. I was fortunate to have been able to bask in your presence for the short time I was able. You are and will always remain a bright ray of sunshine in the happy memories in my soul. You strive to invoke laughter and charm, caring and warmth wherever you go. I was in denial for the last week, simply because I couldn't bear the thought of never seeing, talking or experiencing your smile, laugh and engagement with your friends. Then I realized that all of those traits, qualities and trademarks must have been needed and called for a stronger purpose. I am honored to have been able to know you and I want your family to know that I for one, if not thousands of others, will forever be indebted to you for the happiness you brought into this insane world of ours. Sincerely, Teresa Brownen, aka, Savannah's mom
