“ *Ines, my buddy, my friend. I will never forget the great times we spent fishing and hunting together. Those memories stay with me forever. The days, weeks, and years we spent together. The days we spent up at the Mill at your brother-in laws cabin and the great meals your sister cooked for us. The times cutting firewood and hauling it back to both our houses. Even though these past years we lost contact, I will never forget you and our lasting friendship. May God give you rest and I know we will see each other again. Gods peace and blessings to Caroline and the family. Always your friend, Richard*
