“ *The love of my life left this world peacefully. I was with her to the end and I can say she fought a good fight because the only thing that mattered to her was to see her daughter get married. She has gone on to be to meet her maker and to join her parents, sister and brother in heaven. She was the financial wizard, the greatest mother to Liliannah and Jacob, an outstanding military wife, and a powerful soccer mom. Irina created a multitude of great friends and family because she was real, she treated everyone she knew with the utmost respect and love anyone could ever give. Irina dealt with any life's burdens head on because her philosophy was, "It is what it is." I love you Irina and I am truly missing you. When the day comes for me to join you, I know what your first words to me will be, "Why haven't you started it yet, get it going ." Your loving husband and best friend, Ken Ken.*

*Irina was my next door neighbor for many years and I miss her tremendously. I had just returned home from Charleston S C early Sunday morning and of all days it was Fathers Day when I found out of her passing. Each morning irena would sit in the covered porch drinking her coffee and enjoying the squirrels running around her front yard. Many times when I was leaving my house I yelled out to her "good morning" and she acknowledged and say "good morning Al". I can still see her sitting there each morning. Irena loved her family very much and enjoyed entertaining friends and family on special occasions. Irena was ery proud of Jacob and Lillianna of what they had become. And we can't forget the family pet Cujo the young pug who gave her a lot of love and smiles. Kenny I can honestly say she was a wonder kind hearted woman with a heart of gold. There is no doubt that Jesus was waiting for her with his extended arms to embrace her to take her into the heavenly kingdom of God. Rest in peace Irina you are sorely missed. Al and Val.*
