

## Isabel Franco Vasquez

November 19, 1923 - December 7, 2020

Our Mother, Isabel was born in New Mexico, and settled in California in the early 1960s. She was a mother of 8 children and a homemaker. When she had to, she liked working in the fields and never complained.

She enjoyed sewing and making quilts, and watched her favorite soap operas. Her favorite basketball player is Shaquille O'Neal. She'd read the daily newspaper and save every clippings of articles of important events of people she knew, dating back to the 1960s.

Isabel lived in the same home for about 25 years and would be sitting in her kitchen dining table drinking her "hot" coffee. She was always a call away having the same phone number for the same amount of years.

Years later, she was diagnosed with Dementia, which took her away at the age of 97. Giving God all the Glory, she is now with her two sons, Eddie and Benny Vasquez, her husband, Lupe Vasquez, and her grandson's, Lil Ruben Vasquez, Vincent Vasquez and Armando Damasco.

Everyone had referred to her as a **STRONG WOMAN**. She was a fighter and she never gave up on herself, due to her health issues. We will miss her very dearly. We loved our Mother in our own different ways.

Our Mother is survived by her son, Ruben and daughter-in-law, Rhonda Vasquez from Texarkana, TX; son, Louie Vasquez from Tracy, CA; son, Mike Vasquez from Fresno, CA; daughter, Stella V. Damasco and son-in-law, Manuel Damasco from Fresno, CA; sons, Anastacio and Ricardo Vasquez from Caruthers, CA; 32 grandchildren, 78 great-grandchildren and 49 great-great grandchildren.

Thank you all for your heartfelt condolences.  
R.I.P. to our Mother, Isabel Vasquez!

LOVE, THE VASQUEZ FAMILY
