“ On behalf of Roberto Ramirez and family we would like to extend our deepest sympathy to the Lopez Alanis family as they grief the loss of their son. Isaias you know how much we loved you which makes this loss harder. Knowing that you were taken from this earth when you were full of life and had so much to live for will never get easier, but you left us memories that will be kept close in our hearts. RIP Isaias, we love you and we will never forget you

“ *Sending prayers and hugs to the Lopez Alanis family during this terrible time. There are no words to express how sorry I am nor how much Isaias will be missed. You were a great friend always looking out for your family and friends with a unique personality that I will always miss. Thank you for the great memories that I will cherish always. Your life was cut short, but your soul will shine forever in the skies above. RIP Isaias although gone you will never be forgotten.*
