

Mr. Jack D. Waters

December 16, 1938 - January 11, 2023

Born December 16, 1938 in Dodge City, Kansas to parents June and O.D. Waters. Survived by his loving wife of 47 years, Peggy. Brother Mike and wife Deanna, Brother Dr. Jerry Waters and Sister Dawn Romo, Son David, Grandson Craig Waters and wife Kayla, Grandson Chance Waters, Granddaughter Mallorie Flynn and husband Tim, and 12 greatgrandchildren. He was preceded in death by son James Waters.

He moved to LA at a young age, worked at Mayfair Markets in LA then transferred to Las Vegas and back to Fresno to continue with Mayfair. Worked for Bergen Brunswig Drug Company after Mayfair and upon his retirement from Bergen took over and ran the local bowling office (CCUSBC) for 20 years up until his stroke in August 2021.

In his younger days he played softball in many leagues over several years, a great center fielder.

Started bowling in his early 20's and continued to bowl for 60 years, several nights a week and many local, state and national tournaments. Over which time he made many lasting friendships.

Golf was also another sport he loved. Golfing at many out-of-town golf trips sponsored by Bergen Brunswig. Golfed every Sunday with his close friends, and loved every minute of it.

In addition to his family and friends, Jack loved his many cars over the years ending with his beloved Challenger. Hated to give it up. Lived a good life with integrity and honesty.

In lieu of flowers, remembrances may be made to: CCUSBC Bowling Association at P.O. Box 7736, Fresno, CA 93747.

"Don't cry because it is over, smile because it happened."

“ Dear uncle, you were a kind and hard-working man. I will miss your easy smile and quick laugh. I'll always remember our family reunion in DC, and how your siblings kicked you off the island and into your own room due to your loud snoring. 😭 You we're such a good sport and always up for an adventure. I'm better because of knowing you. Until we meet again. ❤️
