

Jacqueline Jean Johnson

July 15, 1921 - October 23, 2017

Jacqueline Johnson, could turn an ordinary table setting into something magical. She could make meals and desserts that were magazine worthy, and she could turn any piece of furniture into a collectable. Jackie was resourceful, creative, energetic, and artistic, but her greatest talent was making people feel loved. Her smile and laugh could light up any room, and the smell of White Shoulders will never be quite as lovely. Jacqueline, was born on July 15, 1921 in Eugene, Oregon. She spent the majority of her life in Fowler, California as the wife and partner of her late husband Lee Johnson. Jackie will be dearly missed by her son Morten and his wife Diane from Kingsburg, her, daughter Jill of Fowler, and two grandchildren, Jeanne of Fresno, Michael of Loma Linda and two Great Grandchildren. Jackie we love you a bushel and a peck, with a hug around the neck.
