“ Love you with all of my heart Grandpa J.
It has been incredibly hard trying to find a silver lining in your passing.
Truth is, I miss you, and will continue to miss you for the rest of my life.
I cannot thank you enough for the endless love and advice you gave all of us grandchildren.
I also find happiness in the fact that my daughter Amelia was able to have memories with you.
Her face lights up every time she sees your picture as she says, "Daddy, that's papa Jaime!"
Now begins the next chapter, your legacy.
I promise you we will not disappoint.

Love you forever Grandpa J

“ *After the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we've shared with our loved ones who have passed, this is what keeps them alive in our hearts and in our minds. Our memories of uncle Jaime will never fade. We wish him a bless full eternal rest in his new home next to my mam Victoria and my uncle Tony. We were not present in the service but we were there with our hearts and prayers. Our deepest sympathies and love. Guido & Mirtha*
