Ulises was a loving, respectful young man sadly he left this world on September 11, 2023 at the age of 22.

He was born to Rosa y Jaime Vazquez on June 16 ,2001. At 19 He stayed in California upon arriving to the United States and later moved to Florida for a better job. After 2 years of being in Florida he moved back to California to stay with his uncle, Ruben Prado, and his family. His time here in California, was enjoyed by everyone around him. We all loved and cared for him like he was our own brother/Son. He was easy to talk to, always had a smile on his face. He liked to joke around and was a kid at heart. He was also a hard worker and helped around the house. His presence brought light into the room. His hobbies he enjoyed was staying active; working out, playing soccer, and building legos.
