“ Unfortunately, i just heard the sad news yesterday. I used to work with Barry (we called him Bubba at work). He always had a funny or crazy story to tell and kept us on our toes. Up until his passing he'd still come and visit me at work and what I didn't know at the time was going to be our last visit he left me a little gift. Bubba will always hold a place in my heart, a good friend! I'll miss you Bubba...
