“ We were colleagues 15-16 years ago we became friends, then best friend/family close together like butter and bread. To my one and only best friend in Heaven, I'll never stop missing you. I will forever cherish all the wonderful memories we had and the meals we shared together. I'm very bless to have had you in my life and very thankful for you and the length and strength of friendship we built. Im so sorry my brother i was not able to save you. Forever and always will miss you and love you forever in eternal life. I hope you know that you are loved. I pray you rest peacefully, with the angels in the sky and find enlightenment and reach nirvana. My family and I will forever miss you. Until We Meet Again My Brother....

“ My name is Matt. Jared was a good friend of mine. We had a lot of the same struggles. We worked together. I can say lots of good things about him, he was a hard worker. Never complained. He was one of the most respectful, humble persons I knew. He will be missed and always remembered. Rest easy my friend.
