“ *My deepest condolences to Jay's family. I doubt there are many that had as many friends as Jay. I have known Jay, his uncle Joe and cousin Tommy many years and know though his life was short he lived it to the fullest. He will be missed by many but he will never be forgotten by anyone who knew him as a friend.*

“ Jay you are a man of courage, I was your next door neighbor in the hospital and knew you were suffering in pain. When I left the hospital I spoke to you and your wife, and prayed for your pain and suffering to get better. I was called by a friend of yours Barry of your passing and my heart ached for your family, but relieved you no longer were suffering and in Gods hands. My prayers to your family and coworkers who I had contact with via email a nice young lady who was very worried about you and kept me informed. I know you were loved by many. God rest your soul.
