“ *Mom, I will never forget you, we were best friends in life. You are now at peace and no longer fighting Alzheimer's. You were a religious person and with that I know you are in the arms of the lord. I hope you find peace knowing you raised three incredible sons and without you we all wouldn't be here. I do not want you nor us to be sad that you're gone as we all will be together again and we will all continue the legacy you have left. I love you mom!! Jerry*
