

Joe Dick

May 24, 1930 - January 1, 2025

Joe Dick was born in Eufala, Oklahoma on May 24, 1930 to Conner and Myrtle Dick. He was the oldest of 4 children. He passed on New Year's Day.

Myrtle and the children moved to California in the mid 40's. For sometime he felt he had to be the man in the family so he only completed 8th grade. He enlisted in the Navy and while home on leave he met our mother Troyetta. They settled after discharge and started their family. Marcella, Charlotte, JoAva (deceased), and finally a boy Jonathan. He worked hard to support the family as a diesel mechanic and also driving truck. The last 20 years of driving he co-owned a trucking firm with Jonathan. He instilled in all of his kids a positive work ethic and helped us all as long as he could with anything we needed.
