“Grandpa”, thank you for all the amazing memories. I’ll always remember that time on the dunes at Pismo Beach? You thought it would be fun to take the Trooper out for a ride. I don’t remember how many of us were in there, but what I do know for sure is that Sister Mia & I got the short end of the stick. We were in the very back with NO SEATBELTS flopping around in the back like a couple of rag dolls. I was scared outta my mind! I looked up and see you looking at us in the rear-view mirror cracking up! My young life was flashing before my eyes, but you, well...you thought it was hilarious! 😞🤔😭 I mean I GUESS it’s kinda funny now! 😊 I’ll never forget our Friday nights. Just you and I, with some cold ones & our talks. 🍺 The things you did to make sure Carmen, Manda & “Lil Boy” never went without. You were the true definition of sacrifice, love & loyalty . I love you for confiding in me and letting me do the same. Thank you for always letting me know I was your favorite daughter-in-law...WAIT A MINUTE!! 🤔 I just realized I was your ONLY daughter-in-law! 🙋👤👩🙄👊😐🤔 Dammit, I miss you. 🙋👤👩🙏

“ *My dear brother, what can say about you? You were the best big brother ever!
I remember when we (I) was little and you were always there taking care of the house and all the rest of the family. Seems like that was your nature, to care for everyone around you.
I love you brother and you will be missed!*
