

Joe Angel Mendoza

July 26, 1974 - February 24, 2021

Joey Angel Mendoza was born July 26, 1974 to Joe and Cynthia Mendoza in Twin Falls, Idaho. He was the oldest of five siblings. He is survived by his three boys, Andrew, Frankie, and Stephen Mendoza, his three daughters Sarah Mendoza, and Alexandria and Natalie Holguin, as well as the mothers of his children, his two grandsons Julian and Jaxson Mendoza and another grandson on the way. His mother Cynthia Mendoza, his brothers Ralph, Victor, and Robert Mendoza, and one sister, Mona Mendoza.

He grew up in Biola and was well known by everyone. As a child, Joey loved to bully his brother and sister and he would drive his Nana and Tata crazy. He had a love for sports and enjoyed watching them on tv with his son Andrew. He was a die hard Raiders fan. He enjoyed playing softball for many years. He also enjoyed barbecuing with his son Frankie and his grandsons. The one thing Joey didn't enjoy was dancing because he didn't know how to, but he would enjoy making fun of everyone else's dance moves and would often imitate them. He enjoyed tormenting the neighborhood kids even as an adult whether it would be his family or neighborhood children in Kerman where his sons grew up. Joey was banned by his son Stephen from chaperoning school field trips because he would cuss and yell at the kids for walking too slow and in turn he told the teacher so they could get detention for not listening to him. This embarrassed his son Stephen but definitely a memory to be cherished forever.

Joey was a character and very funny. He always had a story to tell, but you never knew what stories to believe, but he sure was great at telling them. Joey was known for giving nicknames, including his daughter Sarah AKA Doogs, who he loved very much. Joey was very happy that his love for softball was passed down to his youngest daughters, Alexandria and Natalie. He was very proud of them. Joey loved his grandsons dearly and promised to make it up to Frankie by spoiling them any chance he could get. Joey couldn't do a lot of physical activities with his grandkids but he sure did buy them everything. He threw his grandson Julian a birthday party that would go down in history as the coolest party ever thrown in Biola. A party Julian will never forget. Joey will be missed by many people. You either loved him or hated him and he honestly didn't care. We have so many memories and stories to tell we could go on and on but we ask that each time you eat a bowl of menudo and watch a Raiders game, you think of Joey Mendoza because he loved those two things on a Sunday morning.

“ My Cousin Joey and I have a lot of memories together. He was my cousin, but he was like a little brother. Here is a poem I forgot to read at his Celebration of Life, but maybe I was suppose to share it with his family and friends.

*To the living, I am gone.
To the sorrowful, I will never return.*

*To the angry, I was cheated,
But to the happy, I am at peace,
And to the faithful, I have never left.
I cannot be seen, but I can be heard.
So as you stand upon a shore, gazing at a beautiful sea –
remember me.*

*As you look in awe at a mighty forest and its grand majesty –
remember me.*

As you look upon a flower and admire its simplicity – remember me.

As you watch a Raider game, and eat Menudo remember me

*Remember me in your heart, your thoughts, your memories of the
times we loved,
the times we cried, the times we fought, the times we laughed.
For if you always think of me, I will never be gone.*

It's not good bye, it's see you later.
