“ *My brother in law, John, what a great person he was and what wonderful memories we have of him in our lives. As is said, some people come into your life for a season or a life time, he was truly an awesome uncle to his nephews, AJ, Elena and Jaime.*

We love and miss him so much, he was always a positive ray of sunshine in the midst of darkness and shade to all of those around him, especially his family.

As I reflect on what I can say to John, if he were still alive and knowing it would be my last words to him, they would be:

"John, I love you, always, and have wanted nothing but the best for you. Thank you for the impact you have had on my family, especially my children, with all of the moving around the US we have done, and not really settled, it is great to have family that care and love us no matter the distance or what is happening. You are truly a blessing to us and I hope my children will be awesome uncles and aunts (as you were), you have given them an example of what to be, lovable, kind, funny and caring...this is what I think they will miss the most. I love you bro and thank you for the wonderful memories and impact you have had on my life. You can rest and be at peace, no loner suffering, knowing your impact in this world to the people that loved you!"

*With love,
Tony Reyna*

“ One of my favorite memories with my brother Johnny was when we went hiking Silver Falls Oregon. He loved nature just as much as I do. He just came alive with joy and amazement for all of God's creations. 🐾 🌲 🌿 🍷 🍀 🐿
