“ *Pa,*

You were a major inspiration to all of us in the family. Like the Father's Day card I just gave you said, you're the "Big Tamale" of the family. You were always there to support each and every one of us, and for that I'm thankful. I remember you always being at my baseball games and you always hiding candy in the back seat of your car for us. Love you pa. This is not goodbyes, it's see you later.

“ Papa, I am going to miss you a lot but I know you will always be in mine and everyone's hearts. You have taught me a lot and I will never forget that. I will always look up to you and want to be like you. You are one of the strongest people I know and I am proud to have you as my grand father. I promise you that no matter what I do I will strive to make you proud of me even though I already know you are. Papa I love you with all my heart and will miss you.
