

## John Gabriel Garcia

October 2, 1982 - October 24, 2020

John Garcia had an extraordinary life. John was a loving, hard-working and hilarious person and made a positive impact on so many people's lives. John Gabriel Garcia was born in Fresno, Ca on October 2, 1982 to Maria Falcon and Lou Garcia. He attended Roeding elementary and went onto Computech middle school where he made lifetime friends. He went onto Edison High school where he played soccer, purchased his first car and decided to join the military before graduating.

John and Mary met in junior high at Computech middle school and remained friends until the end of high school when John joined the military and left for his first duty station. In 2006, they were reunited and were inseparable after that. In 2010 they were married, went through 3 deployments, moved across the country, visited 17 states together and survived so much together. Their love for each other was endless.

John was devoted to his family, 49ers and the Navy. For 20 years he served his country proudly and loved what he did. He was also a great father to his princess Julianna and Best Buddy Gavin. There's nothing he wouldn't have done for his two babies. Lastly, if you knew John you knew he was a Niners fan, he made sure of that and was proud of it. Whatever he loved, he loved full heartedly.

John, thank you for lighting up all of our lives with your endless humor,

dedication and love. We are ALL going to miss you.

“Our deployment to Spain. I wish I had some photos of John cutting hair or in the kitchen making magic. He brought us so much laughter and happiness. I’m definitely fortunately that our paths crossed in 2015.

“ My boy John, im in complete shock.. had I known that time at tioga would be the last time we would see each other I would have done things differently..so many memories and laughs come to mind..your laugh and how you would get that high pitch voice when you would get excited will forever be engraved in my mind.. you were one of the funniest, down to earth.. SOLID dude.. everyone who knows you will agree.. To Mary i can't imagine the pain and heartache you all are going through and trying to keep it together for the kids..I remember the beginning of your love story.I was the dude John confided in.. were loved very much by my boy juuuuhn. To the kids: you father loved you very much. Sooo much. Please don't ever doubt that. Your father will forever be with you..

“ *The day my son was born was one of the most happiest day of my life. John brought me such joy and happiness. I am extremely proud of the man he became and he will forever be in my heart. Although my heart is shattered and I can't imagine life without you I know you are now in heaven with Pa, Grandma and Mickie. Until I see you again. Rest In Peace my baby boy. I love you to the moon and back to infinity and beyond! Love you always and forever, Mom*
