“I’ll cherish all the good times I had with John my cousin my old rode dog , my old drinking buddy , him and i became close during the summer of 2012-2013 we were hanging out 24/7 that summer just having a good time , partying, up and down Fresno to Tulare, John always said “Tula” , he introduced me to “Los Caminantes” every time I hear that band I think of John and all that things we got into. He always was full of life and just wanted to have fun and be around family. He will definitely be missed.
