

Jose Manuel Gamez

July 13, 1955 - February 5, 2025

Jose Manuel Gamez answered our Lord's call home on February 5, 2025. Manuel was born in Brownsville, Texas to Manuel Esquivel Gamez and Consuelo Solis Gamez. The family moved from their native Texas to Sanger, California in 1966. Along side parents and siblings were: Elida, Maria, Elizabeth, Ramon, Pedro and Samuel born in 1967. Manuel is proceeded in death by his parents and siblings: Elida, Raul, Pedro and Samuel Gamez. He is survived by his children Manuel and Adam Gamez, his grandchildren: Adam (Bubba), Manuel III and Milana Gamez and several nieces and nephews.

Manuel was not a social man, but he had a silly sense of humor. If you sat with him, he'd have you laughing at just about every thing. His hobbies were collecting old marbles and tools. He struggled with dyslexia, but you wouldn't know it because he was well versed in history. He enjoyed old history books and TV documentaries.

Although difficult for us, we are going to honor his wish for a private service accompanied by his immediate family. We thank you all for your love and prayers and we ask that you continue to pray for his soul and for his family. In Jesus name we say: Rest in Peace Manuel.

“ I remember way too many of my uncle.. He was the funnest, funniest, and def the most exciting of all my uncles... My sister and I used to like jumping on the bumper of his old yellow truck and ride from Becky's house up the dirt road to our house and jump off... This time he didn't see us hop on and ended up taking my sister and I all the way to Gongs market on the bumper of his truck... If you know him and that truck he def didn't just cruise it 🤪🤪🤪🥲
