“ Oh my sweet Joseph, my heart is heavy with pain knowing I'll never see your handsome face again. I will hold onto every memory we shared together. Like every time you got on your knees and asked me to marry you. Why didn't we're ever just run off together and get hitched. Or how you would kiss my face over and over again. You were so amazing honey. I love you my sweet Joseph, until wet meet again my love ❤️❤️❤️

“ Love you, Brother Joseph. Though you’ve left this earth, you will never be forgotten by the Rodriguez family. Your presence, your spirit, and the memories we shared will live on in our hearts forever.

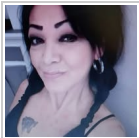

*Me and Sister Julie will always find ourselves laughing when we think of you the joy you brought into our lives is something death can never take away. You were more than a friend; you were family, a brother in faith and in life.*

*Rest in peace, Brother. Until we meet again.*

“ *In loving memory of a young man whose spirit touched the lives of many, we gather in sorrow to celebrate his life. His kindness, laughter and passion for life left an indelible mark on all who knew him. He was a source of strength and joy. Spreading positivity wherever he went. As we mourn his passing, we carry forward his cherished memories and the profound impact he had on our hearts. He will be deeply missed, forever remembered, and never forgotten. Rest in peace Joseph we love you always and forever!*
