“ *I am blessed to have met Grandma Jose. As a child, I remember going to her house and everyone around me was happy to go there, and everyone at the house was happy to see us! She was very warm and she also had a great sense of humor. Her family are wonderful puzzle pieces that make a giant heart of her kindness and soul on the earth. Rest in peace and love. - Our condolences and prayers go out to the entire Molina Familia. <3 -Familia de Orosco y Haskell*
