JE

“ Today marks 2 years us losing you.... Some days are worse then others, most days I feel I'm like I'm floating through life like an empty shell, losing my other half... I'll never forget our memories we shared together the 23 years we spent together and raising our children. Life itself and family trips will never be the same. We lost the anchor to our family. It's unfortunate. Forever yours, Jenn  
~I Love You~ ❤️
