Joyce is in a better place, no more suffering. She will always have a place in our hearts, will never be forgotten, and her legacy lives on. Although we will miss her, we will meet again, when our time comes, and that is inevitable,

Joyce is my wife's twin. They were so close. Joyce will always have a special place in our hearts, and her legacy will never be forgotten. Yes, she will be missed, but we know that she is in a much better place.

With our faith in God, I know that we will be reunited with her and all our deceased love ones. Until we meet again, my sister!🙏🏻✝️😊💕
