“ What can I say that I haven't said before my brother Johnny was a perfect son, brother , dad and husband . He was easy to talk to very much reserved person was always there to give a helping hand . He was a noble giant . There's not one day that passes that I don't miss him. Everyone that had the chance to meet him know he was polite and helpful . Thank you johnny all the way to the sky for being my inspiration all this time I was given by God to have you in my life . You will forever be in my heart and mind brotha..

“ *My condolences to the family of Johnny! In the short time that I knew him, he seemed like a sweet, kind, caring gentleman, despite all that he was going through. I'm grateful to have met Johnny from his sister Elizabeth reaching out to me to provide Johnny with a massage to help him try and feel even just a little better. I wish I could have had more interactions with you Johnny, and I know your family loved you oh so much and it was a blessing to get to know you all. There's not a day that goes by that I don't think of this family, I always tried to help in any way I could, even just bringing by some of my favorite protein drinks for him to try since he didn't like the ones he had.....and I was praying and hoping for the best outcome. I'm terribly sorry that his life was ended so short, but I do hope that he is at peace and is no longer in any pain. Rest in peace my dear friend! Your family and friends will never forget you!*
