“ *To Julia's family and friends,*

Please accept my condolences upon Julia's passing. I wish you much love and strength through these challenging times.

Julia served as our Secretary for Fresno's Chinatown Revitalization in the 2000s. She did a spectacular job keeping the office orderly and the Board in line! I appreciated her organization skills and her fearlessness to reach out to people to support Chinatown.

I am very sad to read about her passing. But if there is any comfort, I will say to her family: She was a wonderful reflection of you: Lovely, charming, efficient, and thoughtful. In my mind, she lead a very good life and shared her love freely.
