“ *Juli and I laughed so much together, through our years of working at CJ together. I always loved and appreciated her “go get em” enthusiasm to get out into the world and do things. Juli: the world is darker without you in it. All I can hope is that her reunion with her mom is a joyous one. To dad and brother, sister-in-law and nephew, I’m so sorry for your loss.* ”

“ *One thing I'll never forget Juli did for me, I took the bus into work & when I got there the management decided to send me home. Juli caught me before I left and offered to let me borrow her car as long as I was there to pick her up when she got off work. She always looked out for me.*
