“ *I can't believe that today is the last day I will see you physically although your memory lives in my heart. My soul aches at the very thought of it as I am not ready. You are going to be forever missed by my babies and I. We will always love you for the rest of our lives. ❤️❤️*

“ *Miss you my brother. I remember your 1st day at work and sadly your last. I'll always remember the shifts that I worked with you and the stories of family that we shared when Booking was slow.*
