

## Katherina Levuth Long

November 6, 1963 - September 28, 2024

Katherina Levuth Chhom was 60 years old, born in Battambang, Cambodia, and lived in Fresno, California. She went home to be with the Lord on Saturday, September 28th, 2024 at 6:55am and had all of her children beside her when she peacefully drew her last breath. She courageously fought the battle against stage 4 cancer.

She is survived by her children: Sarah Chhum, Stephanie Chhum, Johnathon Long, and Joseph Long. Both her mother and father, Yokra Noeum and Chhom Nhoeng, have already passed. Though our hearts ache and miss her playful, hard-working, and fun-loving soul, we thank God that she is no longer suffering—that she is now reunited with her own mother and father and her Savior forever.
