“ *My Favorite Memory of you: is the summer in Prather the summer we bonded over Cheech and Chong, smoked crappy Merrit cigs and talked to the cows.lol*

That's when we knew we would be Best Friends for life. Roller skating, cruising Blackstone Ave., drive inn movies, you falling out of Richards car and how could we forget Toni's Wedding. (Band members) The trips to Morro Bay with your parents and oh so many more memories. You know I will Love you Forever my Dearest Friend.

You were my Every Thing Best Friend. You know all of my secrets in this world so remember to keep them to yourself. Lol

With my Love and your Spirit I know you'll always be by my side but I will truly miss your face, that smile that makes me feel so warm inside and the true feeling of Love and Understanding when ever we were together.

Rest in Peace Kathy, and remember I will always Cherish you in my Heart!

Love Always and Forever

Your Best Friend

I love you and will miss you until we meet again. You were the kindest sweetest woman I know. You also put up with my brother all these years but you were the dynamic duo. RIP Kathy.
