“ *This still just doesnt seem real. My sincere condolences to Stephanie and the kids. Seems like just yesterday he was babysitting the boys for me just after my moms passing. Cant believe that was 18 yrs ago. May you all find strength, through your memories, to help you get through this difficult time. With Love, Kathy*

“ *Keith, can't help but believe your spirit was passing through my memory as you prepared to leave this world. As I reminisced with an old friend about the old days your name came up. It was a flash back. It makes since that people would remember you because you were one of the nicest guys I've ever known . I knew you mostly in my early teens (summer of 82) and you were the coolest homies! It didn't hurt that you were very good looking! Of course you and your brothers had these features in common. I remember you encouraging Eric to ask me out and was puppy love! Y'all Schillings made me feel like family and I never forgot that. Rest in peace old friend may God embrace you and keep you in paradise! My heart goes out to your family and loved ones. I will send prayers for those who mourn for you.*
