“ *My condolences to all of Keith’s family for your loss. I know Keith was a man who loved the Lord and is in restful peace with our Lord and Savior. He will be terribly missed. It been many many years since I’ve seen Keith, but he was definitely a person you could never forget. He always had a smile on his face and was always happy to see a friend from the past. Keith was a wonderful, loving and happy person. I’ll never forget in our younger years going out to the lake with mutual friends and his family on the barge and boating on his cousin Mark’s speed boat, “ The Bandito” what fun we had! God bless you my friend, fly high with the angels!*
Your friend,
Jackie

“ *May you rest in heaven cousin. No pain no worries. May your family find healing in this time of sorrow. I will only remember the good times we had at the family unions when you gathered up your kids to attend this special day but now you will look down from heaven and dancing for joy. Love you cousin.*
