

Kelly Lee Joy

February 17, 1974 - April 12, 2018

Kelly Joy passed away in his sleep peacefully the morning of April 12, 2018, at the age of 44. He joins his Mother Patsy, Father David, and Brother Chris all of whom passed at early ages. Kelly had endured the loss of nearly his entire immediate family by his 36th birthday. Kelly is survived by his brother Kevin. His Mother patsy passed away after suffering for many years from Huntington's Chorea when Kelly was quite young. His Father David passed in 2009 due to sudden cardiac arrest. Kelly experienced much loss and anguish so young in losing so much of the family he loved so much. In Kelly's early adult years, he was a successful business co-owner of three restaurants, and a local logistics company, as well as a bank teller for Well's Fargo Bank and a Pharmaceutical Technician for Long's Drug Store and Mendota Drug's. As a teenager, Kelly was very active in the Tower District Community and was a long time member of a local youth support group in which he made lifelong friends with so many of it's members. Like many of us, Kelly fought demons later in life, Having lost so many close to him, but the love in his heart and genuine kindness of his soul, never changed. Though his path later in life had lead him away from so many of us, extended family and friend's we've always held on to the love we have for him and all of us know how closely held us in his heart. The memories are many for all of us and never will be forgotten. Rest easy Kelly, you're loved by many...
