“ *Kial aka "keke" was so loved by many! Even those that he interacted with online!!! His life was cherished by his family! He passed away and life has not been the same!! "Keke" is what we called him! A special child to his mother, a special brother to his siblings! A special uncle to his nieces and nephews! A special nephew to his aunties.. he's missed everyday! Very very smart! We still wanna ask him questions on how to operate or cell phones, Internet problem's, t.v, cable. Overall keke your so missed!! My heart hurt everyday! For my special son!!! Love forever in a day!! I know your resting in a better place!!!! Love mommy!! Sisters and brother!! Paradise is where God wanted his special child. . You are now an angel in God's loving grace!!!!*
