“ So many memories with this guy....Kris was an amazing person to our family, friends and just about anyone. He was there if you needed him. Our family gatherings were not complete if Cholo(is the nick name I gave him and we called him since we met him) wasn't there. One of the things that always reminds me of him is when we planned a family gathering we would ALWAYS leave something we needed out and guess what...Kris for some reason always knew we were missing that particular thing and he for some reason would pull it out of the trunk like " Don't worry guys I got it" lol like mannn he was always ready for anything. It was like he knew we were going to miss something and he always had it in his trunk whether it was an extra table or an ice chest, he always had it. Oh and the ice chest was always ready with ice and drinks lol. The memory that I will definitely not forget and will miss so much about cholo(Kris) is our thanksgivings he was the one that would do the prayer before we ate. Unfortunately, we will no longer have him to continue praying for us during that time and it breaks my heart. I know he is watching and taking care of all of us but his presence will definitely be missed but we will never forget you BROTHER! We love you and we will all miss you dearly, sending hugs to the sky.

Kris I will miss you. I've known you for so many years. You grew up with my son (Albert Badillo). You were always together with him and always been welcomed at our home, which was yours as well. Know that I always loved you as you were my own son 🥹💔. You will be missed dearly. Prayers to your family for peace and comfort 🙏. R.I.P.

“ Kris (cholo) as most of my family called him came into the Ruiz family through my baby sister Edith. He became family immediately he always loved how close knit family we were and enjoyed every gathering he would be the one to speak to start the thanks at thanksgiving dinner. He loved to BBQ he was always making some bomb food always happy to help people and very humble. These are just some of my memories but I can go on and on!

I do want to share one more one Mother's Day he was our host and our chef along with my sister Edith that was one awesome and fun day to remember. There is going to be lots and lots of memories he will always be in our hearts and one day we will see each other again to BBQ and enjoy! 🙏😊
