December 6, 1979 - December 3, 2015

Kymberli Kae Williamson was born on December 06, 1979 in Ventura, CA to her parents Rick and Carol Williamson. She passed away on Thursday December 03, 2015 in Fresno at the age of 35 leaving this earth too soon, but not without filling our hearts with immense love.

Kymberli a bubbly, charismatic, fun-loving, kind-hearted spirit. Everyone she came into contact with she would smile at them with her beautiful smile. Our daughter, granddaughter, sister, niece, and cousin was truly a beautiful soul. Kymberli enjoyed baking, hiking, bowling, swimming, camping, fishing or anything involving being outdoors. Kymberli loved playing her flute when she was younger. Kymberli's life goal was to be a Psychologist to help others. Kymberli was blessed to know the unconditional love of her family. Kymberli was adored and doted on by her loving grandmother JoJo. Kymberli was adored by her nieces because they all had a very special place in their Auntie Kymberli's heart.

Kymberli is survived by her father and mother, Rick and Carol Williamson, older sister, Kelbi Sutter (Husband, Danny and daughters, Ashlyn Davis(Husband, Josh) Alyssa (daughter Jamie) Samantha, Kymberlie, and grandmother, Jonell Helen Williamson. Kymberli also loved all her aunts, uncles, cousins, friends and boyfriend with all her heart.

Look for me in Rainbows

Time for me to go now, I won't say goodbye;
Look for me in rainbows, way up in the sky.
In the morning sunrise when all the world is new,
Just look for me and love me, as you know I loved you.

Time for me to leave you, I won't say goodbye;
Look for me in rainbows, high up in the sky.
In the evening sunset, when all the world is through,
Just look for me and love me, and I'll be close to you.

It won't be forever, the day will come and then
My loving arms will hold you, when we meet again.

Time for us to part now, we won't say goodbye;
Look for me in rainbows, shining in the sky.
Every waking moment, and all your whole life through
Just look for me and love me, as you know I loved you.

“ We went to school together and ended up working in the Bakery at Safeway. It was always fun and a lot of laughs. I remember this one day when I grabbed a full rack of peanut butter cookies and the top was doubled up with trays and the rack fell on me and pinned me up against the wall. Everyone was freaking out and you busted out laughing lol! It was pretty funny, being covered in peanut butter cookies lol! I was so happy to get back in touch with you after you moved to California, I will miss you.
