“ *Bonnie took care of my parents for many years. She became part of our family. Even after my father's death, she kept in contact, up to her last days. She will be dearly missed - a wonderful and dear person. God Bless you, Bonnie.*

*Love you always,
Carol F.*

“ *She was one of the kindest women I knew. She always was there to help you out. Bonnie as she went by was a Tenant at a Complex I Managed. She had so many people there that cared about her. It has left a big hole there without her. I remember the day she came and told me of her illness and I told her she was tough and she was a fighter. Well Sadly she fought a good fight but didnt win. She really loved her Grandchildren and Son and Daughter. Thank You Bonnie for being a part of my life. I will cherish our talks and all you did for me at Bullard.*

*God Bless you,
Karen F.*

She will be missed by many
