“ *I have nothing but good memories of this girl. I used to get in trouble for stopping at the nurses station at work (CRMC) and chitchat and joke with her. The manager at the time used to tell me to, "get to work and leave her alone" haha but the thing is, Lettie was a good listener and a shoulder to cry on. If I was having a bad day she always knew how to make us laugh and let me tell you, if I had a problem with someone or something like that, she was the best fb investigator lol that girl could get the dirt on anyone haha Man am I going to miss my crazy loving friend 💔 my heart aches for her boys and I pray they find peace in their hearts 🙏 May she rest in eternal peace ❤️*

“ My memories of Lettie are so many ,but I do know that we hit it off immediately after meeting after school at W.U.H.S then I met Priscilla, Ruben and and Norma..we were a wild bunch when together. Always laughing and being silly but always watching over each other.Lettie had a caring heart and always was ready to go cruising, house partys or just hanging out ..She even enrolled Lyle's beauty school and we had so much fun then..all.i have to say is that she laughter will be missed and so many good memories. I pray for all the family in this time of grievance 🙏🙏🙏❤️❤�🥺

“ Rest in peace, my friend. You & Priscilla were friends to me at a time in my life when I needed friends. I will never forget our cruising days. We had a blast. I will never forget you. You both are like my lil' sis's. Love you.
