

Linda V. Gibson

April 17, 1957 - July 7, 2019

Born in Whittier CA to Flora Bell Hodges and David J Hodges.

Entered into rest July 7th 2019 at community medical hospital.

She is preceded in death by her father, mother and eldest brother Darrell Hodges. Linda attended Reedley College where she graduated Alpha Gamma Sigma and obtained her AS degree. She went on to pursue a career as a Dental Hygienist, a job she dearly loved and took great pride in. She worked for Dr. Thomas Downing until his retirement and then for Dr. Rachel Jack. Linda enjoyed many good times traveling to conventions, most recently to Hawaii with her co-workers, many whom she considered great friends and family. After moving around the country with her family as a youth, she was thrilled to buy a home and put down roots in Reedley California, a town she adored. She also loved taking refuge at the seaside, saying, "It gives me so much peace to look over the ocean and see all the beautiful shades of blue and green." Linda recently became an ordained minister and touched the lives of many with her natural warmth and compassion she had for others, especially children. She helped countless people achieve their goals simply by encouraging them. She had so much love and positivity that she made you feel like you could do anything. Linda was also a great comedian and loved to laugh and did often. She filled the world with her light and the world is now a dimmer place without her.

She is survived by her daughters, Karen Campbell of Fresno, Anna Savage of Visalia, her son-in-laws Jason Campbell and Chris Savage, sons Thomas

Gainey, Bart Gibson, Joel Gibson, Royce Gibson and husband Archie Gibson, all of Reedley. Also Her younger brothers Ron Hodges of San Jose, David Hodges of Eureka California, two nieces, Crystal Hodges of Redding CA, Janey Hodges of San Jose, three nephews, Alleyn Hodges of Weaverville CA, Johnathan Hodges and Jeremy Hodges of San Jose, many cousins, several step grandchildren that she loved and countless friends. We would love you to come celebrate the life of this precious soul.

“ *Linda you will be remembered with love forever. That infectious laugh and the way you had of talking to someone and made them feel like they had the most important thing to say at that moment. We reconnected a few years back and I'm so glad...I just wanted a dozen more.*

“ *Our family has lost a beautiful woman. Her smile and laugh were contagious. We may have had to let you go, but our memories at Grandma Kemps house will remain in our hearts and memories just as you will. Rest Peacefully Dear Cousin, and keep a watch out over your babies, for they are truly hurting and needing your love and guidance.*

Anna, I say it again, I wish I could be with you, but my momma will have to do.

Love You Always

“ *Sweet Linda was so much more to me than just my dental hygienist, she was my dear friend. I looked forward to our twice yearly hourly appointments. Her love for the Lord and her family shone through the brightest. I have thoroughly enjoyed her stories, laughter and company throughout the years. I will miss her greatly and no one will ever replace the stamp she has left on my heart. I know I will see her again in Heaven and look forward to that beautiful soul and smile of hers. Soar high my precious friend.*

“ Linda was more than my cousin, she was my dear friend. I have so many precious memories, hilarious memories of when we were young together. She had such a bubbly personality, always smiling and had a contagious laugh, so much fun to be with!
Linda was named after my Mother Lyndia. After her parents named her Linda, Uncle David found out that mom spelled her name and pronounced it Lyndia! Linda was spunky, full of life, loved helping others. I love her so much and will really miss her. My heart breaks with her family at their great loss, I am so very sorry.
Praise God with Jesus we have the hope of Glory and so this is not goodbye but until we meet Again.
My love and prayers are with you that God will give you the strength and grace to see you through this most difficult time.
I love you all,
Tamara 🙏
