“ *Linda was a member of the Kerman High Class of 1967, and her classmates remember her with a smile. Linda was a quiet, artistic, kind person. We remember her as a person who would go out of her way to accommodate other people. She was quite an outstanding athlete and always one of the first to celebrate playing any sport she could! Every single friend I spoke with about Linda mentioned her artistic talent. She could beautifully draw absolutely anything! Some of us sat next to Linda in class or lunch just to watch her draw. . . We are sorry to hear of our friend's passing and send our sincere sympathy to her family. Her shy smile and sweetness will live in our memories along with those fabulous drawings. . . may she rest in peace.*
