“ *Nina, I still can't believe you're gone. When I read the news I was in disbelief. You were such an amazing woman and best friend to my Mother. I'm gonna miss you so much. You're Just like my mom, life of the party and down to do anything. I hope you guys aren't stirring up too much trouble in heaven. You loved me as if I was your own daughter. It'll be hard to let you go but I know you're at peace and you'll be watching over all your loved ones. I'll keep you in my heart forever I promise. Love, your God daughter*

“ *Primita Linda, you were a wonderful person always cared about family. As we grew older and as we started our own adult lives and families we did not see much of each other, but we always knew we were family. We come from great stock. Grandma Natalia was our anchor and her nurturing formed our basic values. God bless your family at this time of sorrow for them and my Tio Beto be strengthened my God's guiding hand.*

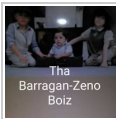

Somos familia que tennemos historia desde San Luis Potosi, Mexico, y estamos unidos.

Con Respeto,
