

## Linda A. Rabara

April 3, 1963 - January 31, 2021

Linda Ann Rabara was born on April 3, 1963 in Fresno, California to Arturo and Eulalia Valle. She passed away at her home, peacefully in her sleep on January 31, 2021.

Linda was an Insurance Administrator for Glacier Insurance for many years. She enjoyed spending time with her husband Victor and their children Elizabeth, Victor and Jonathon along with her grandchildren Lilly, Victoria and Maddex. Amidst family time, she relished in her many trips to the local casinos.

Linda was a strong woman of faith. After countless prayer offerings, her Lord and Savior blessed her with a new kidney. After this moment, she was looking forward to having more time with family. She donated countless hours to her church ministry as a food pantry coordinator and assisting her Pastor with the Spanish Ministry. Her love for the Lord showed through her giving heart and her witty sense of humor. She has left a huge void in our family and the memories created will forever be cherished.

She is preceded in death by her mother, Eulalia Valle and by her father and mother in laws, Victor and Sara Rabara.

Linda will be missed by her devoted husband of 38 years, Victor Rabara Jr.;

her children Elizabeth Rabara, Victor Rabara III, and Jonathon Rabara; a stepson, Anthony Lira and her grandchildren Lilly, Victoria and Maddex. She also is survived by her father, Arturo Valle; a brother Arthur Valle and his wife Teri and many nieces, nephews and extended family members and friends.

A funeral service will be held at Chapel of the Light Funeral Home on Saturday, February 6, 2021 at 10:00 a.m. Entombment will take place in the Garden of Solace Mausoleum at Chapel of the Light.

Due to CoVid restrictions, the family has asked to please honor Linda by leaving messages on her memorial page since services will be limited for family.

Don't worry I will stay true to my promise I made to you years ago, I just now have added a few more to care for, but I will always be here for your family. I'm very blessed to have had you in my life for as long as I did, our heart to heart talks I will always cherish and thank you for always being there for me in my dark days, you helped shine the light when I couldn't see. You were always on my side and by my side and I can't thank you enough for being in my life. Now it's your time to be happy and in no more pain. You were one of the strongest ladies I had the pleasure to call my friend. I luv u Linda and I'm truly going to miss you, who am I going to call now when I hit a jackpot lol. “ I must honor Sis Linda Rabara. She was very dear to me and helped me when my “glucose level” were high! Diabetes 🙄 she shared so much about her journey with me. I didn’t know about an endocrinologist and how to advocate for myself. She was a part of my private Facebook she would attend our church and she supported me in whatever I was doing.

Although she would often inbox me on how I encouraged her she encouraged me as well. I loved her and she loved me! Our Father has saw it fit to take her home. Although my heart hurts I must humbly submit to His will. I am praying for Bro Victor their children, Bro Art & family. She will be greatly missed ❤️🌸🙏

“ In as much as I wish this whole thing was not real, I hate to believe that I've lost one of my strongest rocks in my life. Between you and grandma, I always felt that I had that connection with you as if you were my mom... you loved me unconditionally, never judged me as a person and opened your heart to my son like none other. Your wise counsel was always there when I needed it... Your boisterous laugh that always gave up what or who we were talking about... your late night calls or textes just to share a random memory... your "Aye Turu" moments.... all these things I will miss. My son will always remember his Tia Robot in his prayers.

"Mahuney", life will be much more different without you. Rest assured, I will fulfill my promise to watch over your children and uncle Vic. You always made me promise you that I would do that and I will. You definitely had your share of battles but with your strong faith and your grit to live, you overcame them. Tia, may you rest easy.... for the Lord knows you have done good... your heart was in the right place.. and I know you are up in heaven reuniting with your family that has gone before you...I love you... and miss you so much...

“ *Tia, there’s so much I wish I could have said to you. My biggest regret was not telling you how much I love you. I love you for allowing me to cry on your shoulder. I love you for teaching me how to love. I love you for helping me find the best in me when I wanted to give up. Thank you for always listening to me, supporting me, and encouraging me. You were a true friend, and I want you to know how much I love and appreciate you. The moments may have ended but the laughs we had and the inside jokes we shared will last forever. I will always remember you.*

“ You called me.....Sis.Linda few months back you were in my heart to call. I would say I have to call Sis.Linda to check in but seem to put it off and get busy. Then out of the blue you called me to offer your servant heart for a need. We talked and laughed for about 45 minutes. I told you I was suppose to call you and she said what does it matter who calls who if you think about them a prayer is better. During that time you spoke of the love for your children and grandchildren and how you missed them over the holidays. You spoke of looking out the window and drives with Victor just to get out. You were filled with love to the brim. I should of called you but you called me... heart of a servant and I will serve in your honor. □  
love you Sis. Linda ❤️

“ Linda it’s me your makeup and hair guy! My heart is broken with all your loved ones . You are a standout person , I will never forget how motherly and nurturing you were as well as funny and witty ! We spoke about God and our faith in Jesus Christ and thank you for praying for me and for being my #1 cheerleader ! I loved our salon sessions that turned into great bonding experiences ... you accepted me and helped me in more ways than you know... you always said I made you feel beautiful but you in return made me feel the same. I can’t thank you enough for being on my side - you are one in a million Linda ! Thank you for being part of our beauty warrior Tribe! You have many of our Tribe members sending you love from coast to coast . Our live streams on Facebook won’t be the same without you - I’m so happy we spent NYE together on zoom ... I wish we had more time , I was supposed to do your hair and brows after this pandemic ... 😭💔 well you never needed me for your beauty it was already in your being . Our Beauty warrior Tribe send a all our love and you know our motto “rise above it , sore like an 🦅 Eagle” but now you soar above it all... you’re our Angel. I’ll miss you deeply. “ It is with much pain and regret to lose such a precious sister as Sis. Linda Rabarra. I and my wife, Sonya had the distinct pleasure of serving as her Pastor and family at the Faith Worship Center Church for a few years before relocating to Texas in 2009. She was in constant contact with us since that time and we would spend time with her and Vic on visits to Fresno.

Our lives were touched greatly by her loyal support and love. To Vic and the family, thank you for sharing her with us. Our prayers and love will be with you always.

“ Dear Granny, i love and miss you so much! You’re going to be missed by so many. I will try my best to help everyone as I’m here today. You mean so much to me and I just can’t believe you’re gone already. I know you’re not suffering anymore which is what I’m glad about. I have hope in Jesus that I will be where you are and be with you again! You will not be forgotten. Thanks for being such an amazing grandmother to me. Love, Lilly

“ So many memories but also not enough. I wish we had made more memories with you! But one memory I will cherish is sitting with you and grandma Sara watching "Before The 90 Days" and just chatting about life. I will miss how much you cared for my boys and how you'd just call out of the blue and say "we're bringing the kids happy meals okay Mija". I'll miss you so much! Please watch over us!

*My dearest friend, I will forever remember your voice, your giggle, your sense of humor, your inner and outer beauty, and most of all, your faith in God. Through all of the obstacles you faced with your health, you always remained strong and faithful. We had so many talks about your desire to return to work, not just for yourself, but because you had a heart for serving others. You were a very loving and caring person. There are few people who meet each other and feel like they've known each other for all of their lives. But, you were that kind of person who could connect with others in a special way. I will forever be grateful for your presence in my life. Know that you are loved and will be missed. To Vic and family, my heart goes out to all of you. Linda was one in a million here on earth but I know that her beautiful soul is shining brightly in Heaven. My most sincere condolences and heartfelt prayers are being sent to you. We were all truly blessed for knowing and loving her.*
