“ *My heart goes out to Linda and her family she was a bright spirit and a beautiful person from the moment I met her. I will miss chatting with her and seeing her at Walgreens. Truly a valuable person who was employed there she was the true meaning of customer service, she was always happy with a smile, kind and compassionate. God bless her and her family if I had known she was ill or had passed I would have went to see her. I found out yesterday but I just wanted to send my love and say a few good things about her.*

“ As a newer friend of Linda's and the family I found that she and the family have True Grit and therefore I nicknamed her "Grit", as she had overcome so many obstacles in life. Many blessings to the family and Grit. Chip
