

Lisa Mesta Dominguez

August 19, 1966 - February 19, 2019

Lisa Mesta Dominguez was born on August 19th, 1966 to David and Olivia Mesta. She is survived by her husband Juan Dominguez and her five children; Regina, Joe, Abel, Juan and Mary Jane. Lisa also had seven grandchildren and one on the way. Lisa, a bit of a wild child growing up, never followed the rules. She always went with the flow. Lisa just wanted to have a good time. She enjoyed going out to car shows and going cruising. As a teen and young-adult she always seemed find herself in a bit of trouble but because of the tough woman she was, she overcame many obstacles.

Lisa had her first child, a little girl named Regina, in 1987 at age 20. A year later in 1988 she had a son who she named Joe, after his father.

Unfortunately, things didn't work out in that relationship. In the early 90's she met another man and got married. She had two boys in the following few years. Abel was born in 1991 and Angel was born in 1994. Sadly, a few months after Angels birth, he passed away. Lisa was never the same after the loss of her beloved son. She eventually divorced their father and moved forward with her life.

Lisa was a single mother of three until she met Juan, the love of her life and soon to be husband, in 1996. Her new husband happily welcomed her three children into his life and treated them as his own. She and her new husband eventually had two children together. They had a son named Juan in 1999 and a daughter named Mary Jane in 2001. Meeting him changed her outlook on life. Though she remained a carefree spirit she strived to be a better

person, mother and wife .She was a wonderful mother and a best friend not only to her children, but to those around her. So much so that her children and everyone else always knew that they could count on her no matter what. Being with her family was very important to her, above all else. Lisa loved to enjoy quality family time with her children and grandchildren. Often they would enjoy family dinners and BBQ's together. One of her favorite things to do was to go shopping. It did not matter if she was shopping at the swap meet or her favorite store Kohl's, she loved to find deals. Lisa also had a love for food. Most memories of her revolved around her love for food. She always had the biggest plate. Some of her favorite foods included enchiladas, tortas, and lasagna. What stood out the most about her was that she had a huge heart and she always wanted to help family and friends in need. She was such a wonderful woman and she will be deeply missed and forever loved.
