“ *Our deepest condolences to the Family...Mary Helen . I saw you today at my work.. I said hello...but only did I not know of your sadness...I am so sorry but did not know . My boss had a look on him that he didn't know what to say to you. He then came to my side and told if I knew of your sadness.. I said no..why. because she said . of her husband's passing..he was blank when he told me and I was in shock...just to let you and your family know that he would always gave us a moment of good and also funny wisdom..o boy he would sure let us know when he would come in the store. ..Yes he will be missed dearly by all of us...thank you Mary Helen for his friendship...God bless your whole family and all your dear friends...May he RIP...from Margaret Serrano and all at my work..*
