“ *To my dear friend Lori. I have treasured our friendship for 40 years. We have been through a lot in our life time together. So many happy memories. The 4th of July parties at your house will always be remembered. Being pregnant with Tiffany and Ryan at the same time. I feel so blessed that I saw you this past May for a few days. You have been in so much pain for many years and now your pain is gone. You are walking in heaven now with God with happiness all around you. I love you my best friend and I will see you in heaven someday. You will be remembered everyday till we meet again. I love you !!!
